HETA | petite table
by Appareil Atelier

The small Heta table stands out for the balance between the clean lines of its structure and its tops with rounded surfaces. Offering an elegant alternative to a classic coffee table, its atypical structure gives it a unique aesthetic. The detail of its construction also makes it easy to transport from one room to another.

HETA

Small table

General Conditions

Warranty

Warranty is being offered to the original buyer or any APPAREIL atelier Representative for a one year period following the reception of your order. Please refer to our warranty PDF instruction attached for more details.

Any claims have to be sent at info@appareilatelier.com along with pictures as a proof of damage. We reserve the right to carefully inspect the furniture here at our office. If the product is judged as damaged, APPAREIL atelier will send you a replacement item and will cover delivery charges.

If the one year delay has expired, we suggest to get in contact with us so we can coordinate the repair of your damaged item. Please note that any cost related to the repair will be the responsibility of our customer.

Care guide

Feel free to refer to our care guide PDF to ensure good care of your furniture and accessories.
