

# Drave 04

Born of a collaboration between Appareil Architecture and Lambert & Fils, the Drave collection offers pared down lighting to emphasize function and materiality. The lights' aluminium bodies draw from Quebec's rich material landscape, while its tumbled finish highlights both brands' appreciation for organic matter.

<b>TYPE</b>	Floor
<b>CONSTRUCTION</b>	Tumbled aluminum shade Powder coated steel body and base
<b>SPECIFICATIONS</b>	Source: Incandescent T10 bulb provided (E26 base) Power consumption 40W Lumen output: 260lm Colour temperature: 2700k Colour rendering index: 100 CRI
