**PILOTI | Triple bench**  
by Appareil Atelier

For this version of the PILOTI bench, the legs are repeated to create a rhythm and give the product a graphic identity. For this version of the PILOTI bench, its 66" length allows it to be used as a dining stool.

## **PILOTI** **Double bench**

### **Material**

solid red oak

### **Description**

Bench in solid oak with a water-based varnish finish, consisting of ten legs attached to each other by oak crosspieces without mechanical fastenings. Adjustable glides are fitted under each leg to prevent damage to floors.

**PILOTI Triple bench**

**General Conditions**

**Warranty**

Warranty is being offered to the original buyer or any APPAREIL atelier Representative for a one year period following the reception of your order. Please refer to our warranty PDF instruction attached for more details.

Any claims have to be sent at [info@appareilatelier.com](mailto:info@appareilatelier.com) along with pictures as a proof of damage. We reserve the right to carefully inspect the furniture here at our office. If the product is judged as damaged, APPAREIL atelier will send you a replacement item and will cover delivery charges.

If the one year delay has expired, we suggest to get in contact with us so we can coordinate the repair of your damaged item. Please note that any cost related to the repair will be the responsibility of our customer.

**Care guide**

Feel free to refer to our care guide PDF to ensure good care of your furniture and accessories.
